Sharing

"What we failed to do alone, we can do together."

(Tools of Recovery)

We share our experiences at meetings because it helps us to stay sober. By sharing, we express our love for others who might be having the same difficulties and joys we have had. It helps us all to understand we are not alone and that we have common situations we work through on a daily basis.

Thought of the Day

I will share my experience today so that others may take comfort in the knowledge that others have been there and done that. I will share my experience today in the hope someone will help me. I will share today to bring us together.
