

SFVCA

Polling Committee

To the GSRs:

We thank you for reading the note below, distributing, collecting, and returning the polls to the next two monthly ASC meetings. Your service is appreciated.

Please read this at your meeting:

"I am distributing a poll of interests to find out what we each want to see happening in SFVCA. It is completely voluntary just like a phone list. Though not required to complete this poll, your contact info will only be used by the Polling Committee to connect you with addicts having the same interests. Please fill it out during the break or after the meeting and return it to me today. You may also go online to sfvca.org or drop it in the mail."
